A WORD FROM THE MAYOR

In the heart of our small municipality, life takes a particular form. The roads are familiar, the faces are recognizable, and solidarity reigns supreme. At the center of this community is an essential pillar: volunteering. It is difficult to overestimate the importance of volunteers in a small municipality like Gore. Volunteers are the cornerstone of our operation and development. Indeed, volunteers are much more than just volunteers; they are the architects of the social fabric that keeps our municipality united and prosperous.

Volunteering reflects the commitment of its residents to their community. It is a driving force that drives local initiatives and improves the quality of life for all. Every volunteer makes a valuable contribution, whether it's donating their time to organize community events, serving on committees, supporting local charities, or simply helping a neighbor in need.

The importance of volunteers lies in their ability to fill the gaps left by the limited resources of a small municipality. They bring varied expertise, diverse skills and unwavering passion. Volunteers become keepers of local history, promoters of culture, and defenders of the environment. They also help to strengthen social bonds by promoting inclusion and creating meeting spaces for all residents.

Without volunteers, many essential activities and services in a small municipality would simply be impossible. The maintenance of trails, the community garden, our Exchange Dome, our small library, recreational programs, cultural festivals, and many other vital initiatives depend on the dedication of volunteers. Their work keeps these resources available to everyone, regardless of their age, origin or economic status. By becoming actively involved in local affairs, volunteers develop close ties with their fellow citizens. They create a strong support network that makes life in a small municipality more enjoyable and rewarding for everyone.

Ultimately, volunteering is the soul of our small municipality. He embodies the solidarity, dedication and spirit of service that are essential to making our community prosper. Volunteering demonstrates that each individual, by giving a little of their time and energy, can contribute significantly to the growth and vitality of their municipality. Our volunteers are not only useful, they are essential. Thanks to you, Gore is ready to face any challenge that comes its way.

To highlight the undeniable contribution of our volunteers, we are organizing an event in November at the community center.

If you have volunteered this year within the municipality, reserve your place for this event by writing to info@cantondegore.qc.ca or by leaving a message for Nathalie, our dedicated receptionist at 450-562-2025, ext. 3521, before November 1st.

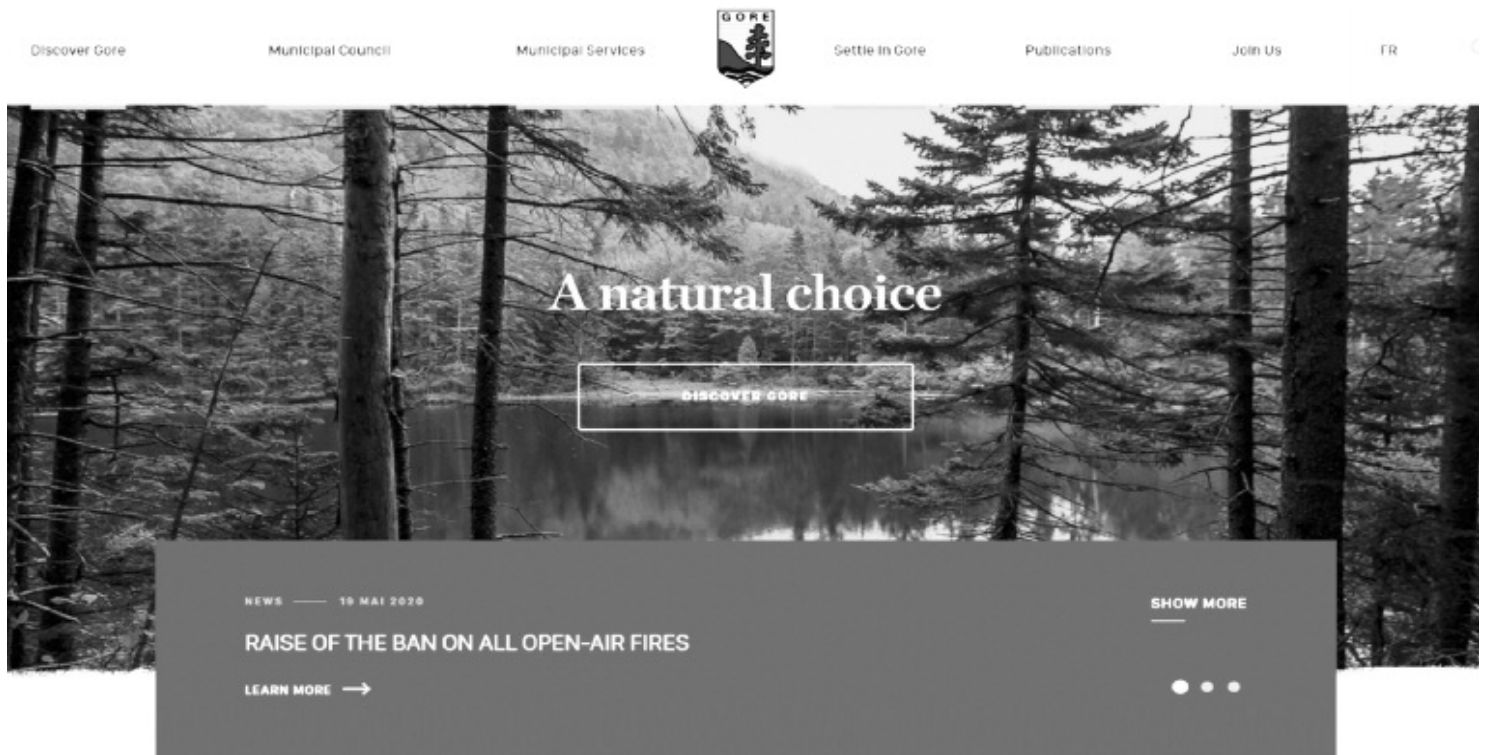

As always, I can still be reached on my cell phone at **514 941-2224**.

Your mayor
Scott Pearce

HIGH SPEED INTERNET

The advertisement features a woman in profile working on a laptop. The text "100% FIBRE locale" is in a circular graphic. A large banner says "INTERNET HAS ARRIVED!". Below it, "We're in your area" is written in large letters, accompanied by an icon of a person with a hard hat. A "SUBSCRIBE NOW!" button is prominent. Contact information includes the phone number "450 409-2012", the logo for "FIBRE ARGENTEUIL", and the website "fibreargenteuil.ca". At the bottom, it says "HIGH SPEED INTERNET CONNEXION WITH FIBER OPTIC" and the logo for "MRC D'ARGENTEUIL".

COMMUNITY

VOLUNTEERS NEEDED – HALLOWEEN DECORATIONS AND ENTERTAINMENT

In Gore, Halloween is an important holiday and we love creating magical decor and atmosphere for children! If you are interested in participating and helping us create Halloween magic, contact us at info@cantondegore.qc.ca or leave your name to the receptionist at town hall: 450-562- 2025 pp. 3521.

We will take an evening or two to create decorations and we also need volunteers on October 31st to set up the site at the municipal park and people in disguise to distribute treats to the children.

Community garden

With the end of summer comes the end of the harvest season. Now it's time to clean up and prepare our garden for winter. We look forward to seeing you on Saturday, **November 11 at 9:00 a.m.** to come and harvest the last of the herbs and take part in our great community project.

PIONEER TRAIL BOARDWALK

340 feet of boardwalk were replaced. Approximately 750 feet must be completed to cross the wetland which will be accomplished over the next two years. Also, the holes in in old boardwalk will be repaired by the end of October.

A great thank you to all of our loyal volunteers who helped us during the past 5 maintenance days to replace the old boardwalk: Alex, Jacques, Pier, Jamil, Janick, Guy, Lina, Brigitte, Elisabeth, Dave, les deux Jean-François, Lydia, Maryse, Pierre, Louis-Guy, Anton, Daniel, Anick, H el ene, Martine, Anton, Laura, Dani ele and, of course, our mascot Frida.

If you would like to get involved or find out more about our activities, visit our website lessentiersdegore.com and subscribe to our newsletter.

Happy trails!

For the calendar for the month, you can refer to the calendar included in the Gore Express.

Also, you will find all the information on the municipality's website.

ARE SEASONS SHIFTING?

The seasons of our calendar seem to be shifting further and further apart.

Global warming is largely responsible for this phenomenon.

With summers arriving later and lasting longer, and milder winters, our seasons are being turned upside down. These changes have been shown to affect many biological factors. Plant species bud earlier, up to 4 or 5 days earlier per decade. Animal migration is also impacted, having been brought forward by more than 12 days since 1994.

Our seasons are also more prone to extreme weather phenomena, such as violent thunderstorms, snowstorms, and major heatwaves. We're blessed with four distinct seasons in our part of the world, but over the years they're likely to change.

Astronomical or meteorological seasons?

Astronomical seasons are based solely on the earth's position in relation to the sun, whereas meteorological seasons are based on temperature cycles. The latter have shown the most variation in recent years.

LEAF CYCLING 101

Most residents are already familiar with grass cycling, but are you familiar with leaf cycling? This practice consists of leaving dead leaves on your property to provide essential nutrients and minerals to the soil and the diverse life that resides there.

It is also recommended that leaves be shredded with a lawnmower to improve oxygen circulation and promote natural composting. Leaves can also be placed in flower beds and gardens to limit soil compaction from snow and provide nutrients for plants going dormant for the winter.

You can also place them in your domestic compost. We remind you that bags of leaves are not accepted at the community compost drop-off points. These compost bins are dedicated to residential organic waste and not to green waste.

CAR SHELTERS AND WINTER PREPARATION

According to the municipal by-law, you can install your carport from October 1st of each year.

Winter is fast approaching – get ready!

Do not take out your waste or recycling bin more than one day before collection.

These can interfere with snow removal operations. In addition, clearly identify your mailbox so that it is visible to snow plows.

Remember to install your carport a good distance from the street, so that it is not damaged by snow removal operations.

ACTIVITIES

MEDITATION WORKSHOP

If being in a state of peace inspires you, come join us at my house, in Gore, in a space specially designed for meditation.

Every Tuesday we meet to relax, meditate, and share on a text, a reading, on a spiritual level. It helps us keep our vibrations high and contributes to peace within and around us.

There are no prerequisites, only goodwill and non-judgment. There are still a few places available.

When: Tuesdays from September 5

Time: 1:30 p.m. at 2:30 p.m.

Cost : voluntary contribution (money raised will go to the Gore Christmas Baskets)

For registration and/or information:
