## A WORD FROM THE MAYOR

As you may know, for several years now we have been striving to preserve and enhance the Lake Beattie Nature Park. Thanks to everyone's efforts, our 300-hectare park is now a true landmark for our municipality. The park makes us shine, and above all, it contributes to the quality of life of all our residents by providing access to water and allowing them to enjoy a variety of outdoor activities close to home. From the very beginning of this project, we have been committed to funding the park through grants to minimize the financial impact on the population. In recent years, we have secured funding for the construction of the entrance road, parking lots, trails, accommodations, reception center and rental center for water sports equipment. This year, a grant will be used to add a boat wash station.

On March 21<sup>st</sup>, we received another grant of \$335 000 for the development of Lake Beattie Nature Park. The DOTPR (Program for the Development of Regional Parks and Tourism Offers) awarded by the Ministry of Tourism and the Quebec Regional Parks Association is a program aimed at developing a four-season outdoor service offer. The project selected is for the construction of a footbridge offering nature observation areas and a view of the Lake Beattie outlet as well as the Jean-Marchand dam. The walkway will be adorned with interpretation panels on both the visible environment and the dam. A lookout for observing the lake and the dam structure from a high vantage point is also part of the project.

The footbridge and the observation tower will also facilitate the development of the northern portion of the park. The RCM of Argenteuil has no other attraction of this type within its territory. We are truly proud to have obtained this grant, which is highly sought after by all regional parks in Quebec, and I would like to thank the municipal team for their high-quality work on this project.

# “Tempo” Carport deadline - May 15 2025

The installation of a temporary carport is authorized between October 1 and May 15 of the following year. **So it's soon time to remove them!**

## THE NEW PROVINCIAL LAW REGARDING RESIDENTIAL POOLS

The provincial government has mandated municipalities to enforce Residential Pool Safety Regulations. This summer, a municipal inspector will visit all properties in Gore with a pool to inform owners about the regulations and to ensure they are being enforced.

Residential pools, whether above-ground, in-ground, or even portable, pose a significant drowning risk to young children when they are not under adult supervision. Following drowning investigations in recent years, several coroners have recommended that laws be amended and applicable to all residential pools.

Owners of residential pools installed before November 2010 have until September 30, 2025, to bring their pools up to standard. All other pools must already comply with the regulations.

## FREE WORKSHOPS FROM THE ÉCLAIREURS NETWORK (WORKSHOPS WILL BE IN FRENCH)

The Éclaireurs Network (CISSS des Laurentides) invites you to participate in three free workshops (in French only):

**Spontaneous Kindness in Everyday Life - Wednesday, April 9<sup>th</sup>, 1 p.m. to 4 p.m. – Community Center (2 Cambria Road)**

This workshop aims to inspire participants to adopt or maintain behaviors that will spread a culture of kindness in the community. Concrete means to develop a willingness to act spontaneously with kindness in everyday life through simple actions will be offered.

**Signs of Stress, Anxiety, and Depression - Wednesday, April 30<sup>th</sup>, 1 p.m. to 4 p.m. – Community Center (2 Cambria Road)**

This workshop will focus on the signs of stress, anxiety, and depression, as well as various strategies for coping with them. The group discussion will allow participants to gain a better understanding of their own signs and identify concrete actions to address the factors that can be changed in these situations.

**Managing Difficult Interactions - Wednesday, May 21<sup>st</sup>, 1 p.m. to 4 p.m. – Community Center (2 Cambria Road)**

This workshop aims to teach participants how to interact appropriately with others in difficult or tense situations. It provides new insights into the attitudes and behaviors to prioritize and avoid during these interactions, as well as strategies for maintaining distance and self-protection.

## EARTH DAY

Your small actions can make a big difference. This Earth Day, let's set ourselves a collective challenge and take an initiative for our planet. How can we do it? Here are a few ideas:

- Pick up litter on your street or in a park;
- Choose local produce ;
- Avoid single-use products;
- Avoid food waste.

Share your actions on social networks with the tag #earthdaygore and we'll share your achievements!

### CUTTING AND SEEDLING EXCHANGE DURING GORE'S GREAT ENVIRONMENT DAY

As part of Gore's Great Environment Day being held on May 24<sup>th</sup>, a space has been dedicated for the exchange of plant cuttings and seedlings. Come share your seedlings and cuttings with all the participants. Great discoveries guaranteed!

**THURSDAY, MAY 15<sup>th</sup> - Launch of the Lakefield Cultural Space and artistic programme**

The Holy Trinity Church, its cemetery as well as the community center was purchased by the municipality in 2024 with the goal of enhancing and preserving this exceptional site. Since, the municipal council has renamed the entire site "The Lakefield Cultural Space" to highlight its vocation as a site devoted to the promotion and diffusion of culture. The name also highlights the importance of the Lakefield name within Gore.

It is with great pleasure and enthusiasm that we invite you to the 2025 launch of the Lakefield cultural space and programme. Come discover the artists who will bring the space to life in 2025 and take the opportunity to visit our beautiful church.

For this occasion, we will hold an opening cocktail free of charge. A pop-up bistro (\$) will also be on site. We look forward to seeing you there!

## One Square at a Time - Laurentians

"One Square at a Time - Laurentians" is a collective project aimed at raising funds for two women's shelters for victims of domestic violence (La Citad'Elle, Lachute and La Maison d'Ariane, Saint-Jérôme) and La Colombe, a day center for women, Sainte-Agathe.

Knitting and crocheting enthusiasts across the Laurentians are invited to knit or crochet 50 cm x 50 cm (20 in. x 20 in.) squares and drop them off at the Lachute, Sainte-Agathe, Saint-Jérôme or Morin-Heights library by the end of August.

Once the squares have been collected, local knitters will assemble them into shawls. The shawls will be exhibited for sale on Sunday, October 5th, 2025 at Chalet Bellevue at a cost of \$30.00 each (cash only).

All profits will be distributed equally among these three organizations mentioned above. "One Square at a Time - Laurentians" invites you to do your part to help women in need.
